

Installing the ATS Kiosk has 2 parts:

Note: If you have installed ATS Core successfully, you can skip to step 2, no need to repeat Step 1, Crystal Report install.

ATS Kiosk installation (check-in station)

Notes:

- If ATS has already been installed on this machine you can go directly to step #2
- If you are told to do a "partial install" go directly to step #2

Step 1: Install Crystal Reports

Step 2: Install the ATS Kiosk
(5.4.0.1)

Step 3: First try a: below. If you have the option to "Run" the file, choose "Run". If you are prompted to "Save" the file, choose "Save". Once the file is saved, open it and click on "Run". If the install fails then go to step b.

a: Install Database Driver for Reports

b: Install Database Driver for Reports (only if a: did not work)

ATS Kiosk installation instructions

Part 1: Install Crystal Reports (use any browser) Login as an administrator and Install the crystal reports:

Note: You may need to right click on your browsers icon and select "Run as Administrator" *EVEN if you are an administrator!*

- Link to the install file: [Click Here](http://www.athletictrainersystem.com/crystal)
(<http://www.athletictrainersystem.com/crystal>)

- Choose "Run" from the command bar; follow the prompts to install.

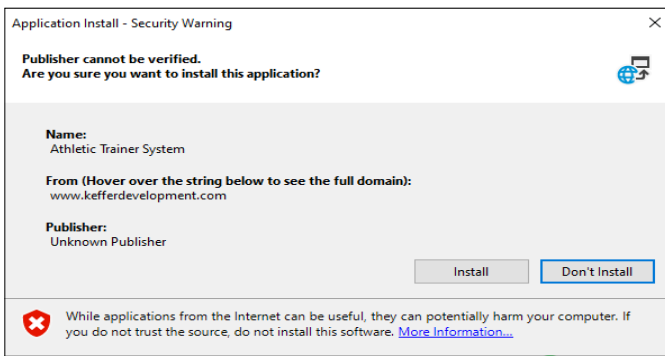

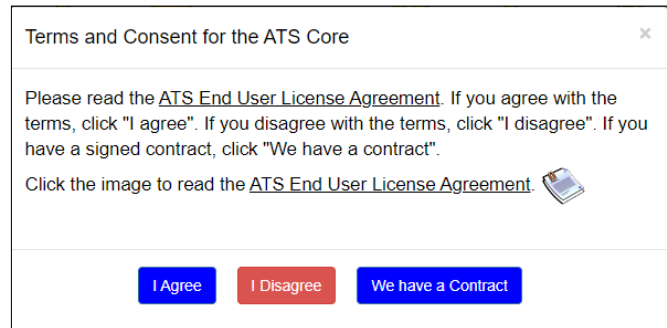

ATS Kiosk Installation Instructions

Part 2: Install the ATS Kiosk Program

- Link to install page for the ATS Kiosk: [Click Here](http://www.kefferdevelopment.com/ats_kiosk/publish.htm)
(http://www.kefferdevelopment.com/ats_kiosk/publish.htm)

To run the install you must read and agree to the license agreement, if your company/school has a signed contract with ATS click the “We have a Contract” button to continue

After the page loads click the “Install Button”

If you needed an administrator to log in for the installation you may need to log in in as yourself and run “launch” to get the icon

Information you will need:

Database name: *Provided in the email you should have received...*

Server: *primaryserver or primaryencrypted if you are a TDE*

Activation Key: *Leave Blank*

**Clicking on the “advanced” button will allow you to change these areas.*

Note: We do not support Active Directory or roaming profiles. It is up to your IT staff to try and configure either/both to work. We will help as we are able, but do not have in depth knowledge in this area.
