Why are we doing this?

- ♦ We have always encouraged & welcomed ideas. In addition to email/ phone communication this proves a “live” forum for that purpose.
- ♦ If there are things we could be doing differently...or better; we want to hear the ideas and discuss them; see how we may be able to address them...or not.
- ♦ It gives the ATCs we work with a forum to discuss ideas and/or news that is industry-related. This helps us continue to learn about ongoing/upcoming things as well.

How do you participate?

- ♦ If you have a possible topic for discussion email it to roundtable@athletictrainersystem.com
- ♦ To get “on the list” email register@athletictrainersystem.com and tell us which round table (10am or 2pm) you’d prefer. If you are one of the 1st 25 people we will email you the information to join the discussion. If you aren’t on the initial list we may email you some alternate meeting dates/ times.
