

ATS for the Classroom

ATS, *The Athletic Trainer System*, is a leading EMR system for Athletic Trainers used by 500+ clients with 1,000,000+ athletes.

We are pleased to make it available at no cost to educational institutions for use in their classroom(s).

Our “ATS for the Classroom” includes the use of:

- The ATS Core (windows module).
- The ATS Core Portal (web module).
- The ATS Smartphone.
- All other modules...
- A library of docs & videos that may be used for demonstration and instruction.
