

The Athletic Trainer System[®]

COVID-19 Screening

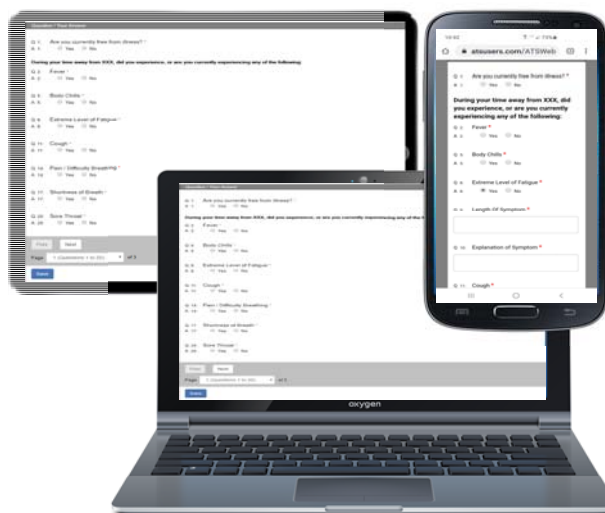

- ✓ ATS' COVID-19 info can be entered by athletes and staff.
- ✓ Athletes can receive daily emails/texts to complete a symptom profile.
- ✓ Athlete entries can generate an email alert to staff.
- ✓ You have the ability to screen your staff.
- ✓ You have the ability to screen guest athletes.
- ✓ ATS has a wide variety of reports showing details or alerts.
- ✓ Test and results may be tracked for each athlete.

Enter screening info for athletes before a practice or event using your laptop, tablet or phone.

Staff screening info can be entered daily or as needed.

Athletes complete a daily COVID-19 form on their laptop, tablet or phone.
