

ATS Data Exchange

Send & Receive data for
outside health systems

- Use “Direct Secure Messaging”
- Protect your referrals by centralizing, improving, and automating your referral management workflows.
- Communicate seamlessly with leading EHRs of referring providers who are using Epic, Cerner, Athenahealth, NextGen, eClinicalWorks, and others.
- Unlimited faxing and messaging. No per page costs or other hidden fees.
- This provides Athletic Trainers with secure “industry standard” communications regarding patient info.
